## AIA Elevates 76 to Fellow; 9 to Honorary Fellow

**Summary:** The AIA congratulates the 85 individuals who were selected as Fellows and Honorary Fellows of the Institute in 2007. The categories of nomination are (as indicated by each name):

1. To promote the aesthetic, scientific, and practical efficiency of the profession
2. To advance the science and art of planning and building by advancing the standards of architecture education, training, and practice
3. To coordinate the building industry and the profession of architecture
4. To ensure the advancement of the living standards of people through their improved environment
5. To make the profession of ever-increasing service to society.
